Happiness starts with you

We believe in enjoying later life and will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

We organise regular activities for the residents such as coffee and cake afternoons, games afternoons and a visiting library, as well as various social events within the house.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

Made up of six en-suite studio rooms and one flat, a communal lounge, dining room and delightful gardens, Abbeyfield House is a homely place where everyone is welcome. We have laundry facilities available to all residents as well as parking and alarm systems to keep you safe and secure.

Havant provides good services for the older person

Angel Radio and award winning radio station specifically for older people provides music memories and requests our residents have enjoyed a visit.

Your retirement

When you live with us you are part of our community and the wider local community too.

Our professional staff team are supported by a number of committed volunteers. Some just want to spend time with you and pop in for a cup of tea and a chat, whereas others get involved in the day-to-day life of our community.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

“These aspects of life at an Abbeyfield House sets us apart from other providers.”
