Welcome to Girton Green

Set in the thriving, picturesque village of Girton on the outskirts of Cambridge, our scheme caters for those who want to live later life in a modern, safe, secure and lively setting.

Our friendly staff help create a welcoming and relaxed environment, allowing you to make Girton Green your home from home.

Girton Green offers a range of modern, well equipped apartments for sale or rent in a vibrant, community development, providing a wide range of services, facilities and resident-led clubs and activities.

“I’m still part of my local community and have a whole new one at the same time.”

Happiness starts with you

Your home your community

As a resident of Girton Green, you will enjoy full use of our restaurant which provides high quality meals. Our Spa comprises pool, jacuzzi, steam room and sauna, and our well equipped gym caters for residents wanting a full workout, to those wanting less strenuous exercise.

We have a visiting Hairdresser and Beautician and a regular mini bus service transports residents to and from supermarkets, and Cambridge’s City Centre.

Residents are able to choose to enjoy the comforts of their own apartments, to socialise in our conservatory, restaurant, cinema or activities room, or to relax and take in the beauty of our gardens.

Girton Green is both a home within a community and a community within a home.

Through resident led activities, and facilities and services that allow residents to mix and socialise with villagers we successfully combine the provision of housing for older people, and the retention of their independence, whilst enabling them to integrate into and become proud members of the local community.
