“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

Built in the late 1860's as a vicarage for St Mary's Church, Abbeyfield House has many of the original features making it a charming, characterful place to live.

Our home has eight en-suite rooms and two self-contained flats. All rooms also have kitchenette facilities. Completing our home are a communal lounge, dining room and garden. We also offer parking and a garage for mobility scooters.

Your retirement

When you live with us you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Abbeyfield House.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

“These aspects of life at an Abbeyfield House sets us apart from other providers.”
