

Downing House

Residential care in Withington

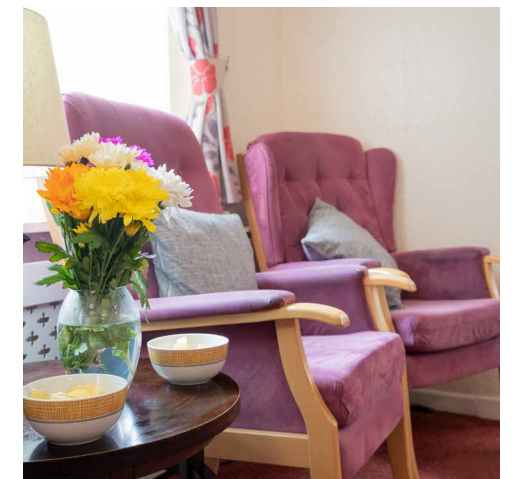

Welcome to Downing House

Downing House is situated on a quiet residential street in Withington, a vibrant yet peaceful suburb of Manchester, providing care and accommodation for residents on both a long and short term stay basis.

At Downing House we offer a home from home experience and our staff are crucial to creating

this homely, friendly and welcoming environment.

Our Residential Care is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

“I’m still part of my local community and have a whole new one at the same time.”

Your home, your way

We are a residential care home offering high quality care for up to 25 people in a purpose built house.

Residents are encouraged to bring their own furniture and decorations in order to make their rooms as homely as possible. We support our residents in making their own decisions about how they want to live their life.

Our lounge offers a comfortable, homely atmosphere for you to sit and enjoy some quiet time to yourself or meet with other residents. We have our own cinema room with projector screen and surround sound which is a very popular feature.

The gardens offer improved access for those with restricted mobility.

Time well spent

Downing House is a place where you can enjoy comfort, security and friendship. We have a fantastic team of kind and compassionate highly trained staff and volunteers, all of whom are dedicated to making your life as enjoyable and worry-free as possible.

We believe in enjoying later life and will always offer you the opportunities to get involved in activities and entertainment – which is a big part of life in our houses.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Downing House is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Downing House.

“Downing House isn't just a care home, it's a home that cares.”

The Abbeyfield Promise:

We make time so you can enjoy life

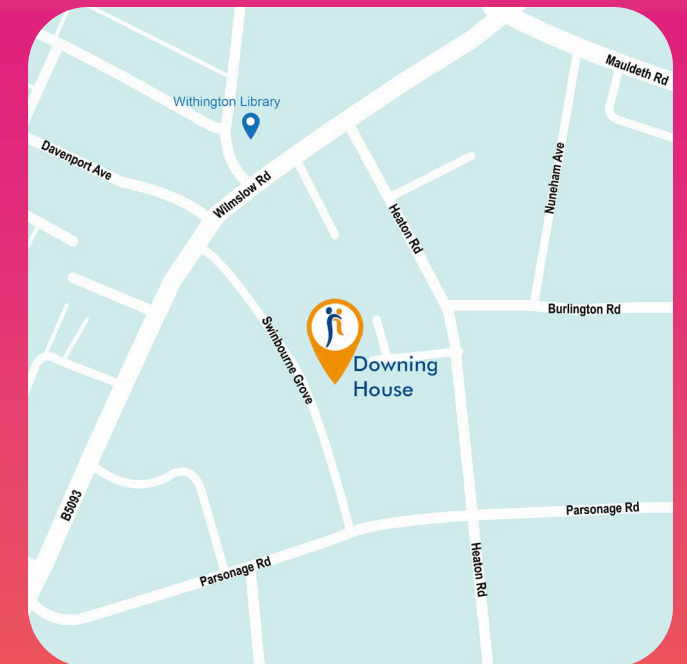

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

Your community
