Sheltered Housing in Ulverston

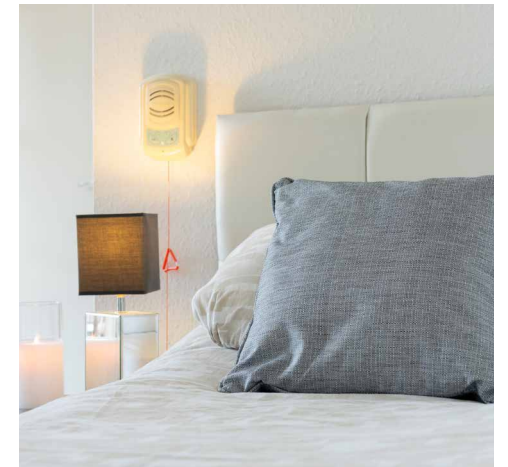

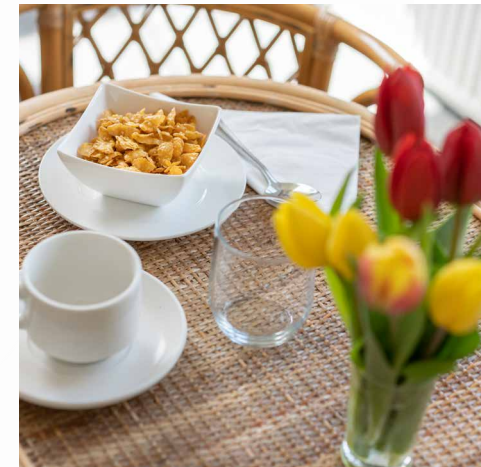

Welcome to Abbeyfield House

Situated in Ulverston, our Abbeyfield house is conveniently located within the heart of the vibrant market town.

At Abbeyfield House we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

Delicious, daily home-cooked meals and communal area housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and dining areas, and a beautiful garden to relax in.

Happiness starts with you

We believe in enjoying later life and will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

With the original part of the house being built in 1877 as a doctors surgery, it later opened as an Abbeyfield Sheltered House in 1975 with a new extension built on that was unveiled in 1986, by Princess Diana.

With 16 en-suite rooms, we have a lovely well-maintained garden to the front and a newly landscaped patio seated area to the back, with raised garden beds for anyone who may be keen on taking up or continuing their hobby of gardening. Completing our home are a communal living room and dining room, that residents are encouraged to make use of at their leisure - after all it's their home. Friends and family are welcome to visit and use these facilities, as well as join us for lunch or dinner.

Your retirement

When you live with us you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Abbeyfield House.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

“These aspects of life at an Abbeyfield House sets us apart from other providers.”
